<b>REVIEW COMMINDATIONS</b>			
<p>I would like to commend the nutrition director and her staff for absolutely one of the best food service programs in the state. It was wonderful to see such a wide variety of vegetables on the salad bar, and the great incorporation of locally sources grains and salmon. It was very apparent by the amount of students that came through the lunch line with trays full of vegetables and fruit that they enjoyed the selection as well. The kitchen was very clean and organized and all of the staff were well versed with food safety practices.</p>
